

Friday November 5th, 2010
Medical-Dental Oral Health Symposium
 Preconception, Pregnancy, and Early Childhood

St. Luke's Health Education Center
 3333 Squalicum Pkwy Bellingham 98225

At this event, dental and medical professionals will learn:

The essential information to enhance their confidence in optimal patient education, recommendations, and treatment plan implementation in accordance with the 2010 Evidence-Based Guidelines for Health Professionals during Pregnancy & Early Childhood.

This continuing education event emphasizes not only the importance and guidelines related to oral health in pregnancy and early childhood, but also supports more consistent delivery of dental referrals & patient education.

In turn, patients will be more confident in the safety of recommended dental treatment, resulting in increased opportunities, and overall improved quality of life for mother & child.

Who should attend?

Primary Care and Prenatal Providers:

Family Practice, OBs, ARNPs, Nurse-Midwives, Pediatricians, PAs, etc;

Dentists: General, Pediatric, and Specialty;

All Levels of Health Providers: Nurses, Dental Hygienists, Assistants, Front Desk;

Students: Pre-med, pre-dental; dental assisting; dental hygiene; nursing...

Community Members: with interest in the health of mothers & children.

MEDICAL & NURSING Professionals can REGISTER at no-charge thanks to PeaceHealth St. Joseph Medical Center educational grant.

Continuing Medical & Dental Education Credits:

ADA CERP approved Dental Credit Hours offered for all designated educational activities.

AMA PRA Category 1 CME Credits™ for a maximum of 7.5 credit hours.

This activity has been planned and implemented in accordance with the Essential Elements, Criteria, and Standards of Accreditation of the Washington State Medical Association CME Accreditation Committee through the partnership of PeaceHealth St. Joseph Medical Center and the Whatcom County Oral Health Coalition.

PeaceHealth St. Joseph, a Washington State Medical Association accredited sponsor, designates this educational activity for a maximum of 7.5 hours in Category 1 to satisfy the re-licensure requirements of the Washington State Medical Quality Assurance Commission.

PeaceHealth St. Joseph designates this educational activity for a maximum of 7.5 AMA PRA Category 1 Credit(s)™.

Physicians should only claim credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the *American Academy of Family Physicians*. Determination of credit is pending.

ADA C-ERP® | Continuing Education Recognition Program Mt. Baker District Dental Society is an ADA CERP Recognized Provider Approved by Washington State Dental Association. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Mt. Baker District Dental Society designates each activity for the listed credit hours of continuing education credits for a maximum of 8.5 hours.

AMA PRA Category 1 CME Credits™ for a maximum of 7.5 credit hours.

This activity has been planned and implemented in accordance with the Essential Elements, Criteria, and Standards of Accreditation of the Washington State Medical Association CME Accreditation Committee through the partnership of PeaceHealth St. Joseph Medical Center and the Whatcom County Oral Health Coalition. PeaceHealth St. Joseph, a Washington State Medical Association accredited sponsor, designates this educational activity for a maximum of 7.5 hours in Category 1 to satisfy the re-licensure requirements of the Washington State Medical Quality Assurance Commission. PeaceHealth St. Joseph designates this educational activity for a maximum of 7.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the *American Academy of Family Physicians*. Determination of credit is pending.

Learning Objectives; Following the conference, participants will be able to:

- 1) Describe the impact of pathogenic oral bacterial transmission within the family, including during pregnancy and early childhood;
- 2) Identify key components of current "evidence-based" perinatal oral health practice guidelines for health professionals;
- 3) Cite local/ national initiatives to enhance medical-dental collaboration to improve oral health in families & community.
- 4) Relate the clinical relevance of combined therapies with medicinal therapeutics and restorative interventions, compatible with caries management in young children.
- 5) Evaluate various facets of risk-management and treatment considerations;
- 6) Integrate oral health, as appropriate, into provision of overall health care.
